Jack Billingsley  
Glasgow, Montana

Senate Fish and Game Committee

Mr. Chairman, Members of the Committee;

My name is Jack Billingsley. I am a landowner, rancher, sportsman, and licensed outfitter from Glasgow. I am a shareholder in a ranch which has been enrolled in the Block Management program for many years.

In addition I have served on the two Archery Elk Working Groups. Both groups have offered alternatives to address these issues, and both times the FWP Commission continued to move forward with their own agendas.

If SB-151 were to pass it would sunset on 12/31/2015, giving us time to find solutions. This would also help FWP financially by reducing the amount of returned Big Game Combo licenses from hunters unsuccessful in the draw for Archery Elk permits.

Thank you,

Jack Billingsley
